**If you think you are lost or unable to continue** 

**Stop: Stay where you are.** Don't get more lost.  
**Think: Stay Calm.** Think how to stay warm, dry and safe.  
**Observe: Look around.** What's available? What do you have?  
**Plan: Stay warm.** Wear all clothes. Cover your head. Sit on your pack or make a thick mattress of brush. Find shelter. Signal; use 3 of anything (whistle blasts, shouts, bangs): make a big X or SOS. Answer all noises - animals will run away, searchers will find you.

**Stay put. Stay warm & dry. Signal. You will be found.**
